Re: Draft Remedial Design/Remedial Action Open Burn/Open Detonation OB/OD Range 16,
Operable Unit 006, Fort Riley, Kansas

Dear Mr. Hynek:

The U. S. Environmental Protection Agency has completed its review of the responses to the comments submitted regarding the above referenced document. The responses were submitted on March 21, 2018. Based on this review, the EPA finds your responses reasonable and you may proceed to finalize the document.

Thank you for the opportunity to review this document. If you have questions, you may contact me at safadi.amer@epa.gov or (913) 551-7825.

Sincerely,

A handwritten signature in black ink, appearing to read "Amer Safadi".

Amer Safadi
Remedial Project Manager
Site Remediation Branch
Superfund Division
