Dear Kevin, all the best for 2006! I have sent some strains today. These are in the form of conidia in plastic wrap (marked with the strain numbers below) in an airmail envelope. I hope this is OK. They are

nkuA::bar strains to go with the Genetics paper that Berl mentioned in his message.

MH11046 - *yAI pabaA1 pyroA4 argB2 nkuA::bar* A1153

MH11057 - *yAI pabaA1 niiA4 nkuA::bar* A1154

MH11068 - *pyrG89 pyroA4 nkuA::bar* A1155

all the best, Michael.
