Dear FGSC,

Please find enclosed silica stocks of *Asp. nidulans* strains used for three different publications from the Berl Oakley lab. I have also sent to you reprints of these three publications giving you the strain genotypes.

The publications are:

1. JACS (2009) 131 2965-2970; Y.M. Chiang et al.
2. JACS (2011) 133 4010-4017 J.F. Sanchez et al.
3. Appl. Environ. Microbiol. (2010) 76 2067-2074; Y.M. Chiang et al.

Please contact me if you have any questions about these strains, or if I can help you in any way.

Sincerely yours,

Ruth Entwistle
