Dear Dr. Ishikawa:

It has been brought to our attention that cultures used in your research may be available for deposition into the Stock Center holding. We would appreciate receiving slants of the following:

gpi-1, -2      glucose isomerase (IV)      Murayama & Ishikawa 1975

Enclosed, please find deposition sheets in the event these cultures are available in either or both mating types, and, also an Importation Label.

We (FGSC) thank you in advance for the time and effort you will have expended in replying to the above request. If we can ever be of service to you please do not hesitate to write.

Sincerely,
