Dear Dr. Mishra:

Your Neurospora sitophila strains arrived safely and now bear the FGSC #'s 3886 through 3895 respectively. See enclosed information sheets and Xerox copy of your letter with corresponding FGSC numbers.

Would you kindly complete, sign and return the enclosed information sheets. Thanks so much for your help. Please correct any mistakes that I may have made on typing the information on the sheets.

If we can be of assistance, please do not hesitate to write or call.

Sincerely,

Ruth Rimbey
