Dear Sir,

I am sending a strain, *lah-1*, for deposit to FGSC. This strain shows multi phenotypes, but does not show any requirements. [see references; J. Bacteriol. 171, 6288-6293 (1989), Mol Gen Genet 258, 619-627 (1998)]

I hope this strain reaches you without any troubles.

If you have any questions, please let me know.

Best

Sincerely

Hirokazu Inoue
