

History of the cultures:

JEC20 and JEC21. I froze these in glycerol 15 Sept. 2003. Revived 7 August 2008.

These should be derived from glycerols made 3 August 1994 in the Heitman collection.

He got the strains from June Kwon-Chung.

KN99a and KN99 α . I froze these in glycerol 4 Sept. 2003. Revived 7 August 2008. The original glycerols were made in c. January 2003 at Duke.

H99. I froze this 11 Dec. 2002. Revived 7 August 2008. Previous freeze date: 3 August 1994 from Duke.
