

# KANSAS COLLEGE OF TECHNOLOGY

## Spring 1991 Final Exam Schedule

Monday, May 13

8:00 to 9:40 am

|                                     |           |
|-------------------------------------|-----------|
| BU 1413 01 Supervisory Mgmt         | Stephens  |
| CL 1222 01 Civil Tech Drafting      | Shreves   |
| CT 2144 01 Digital System Design I  | Richolson |
| EC 1413 01 Economics                | Ahlvers   |
| EN 1713 01 English Comp. I          | Barnes    |
| MA 1213 01 College Algebra          | Homolka   |
| MA 1215 01 Coll Algebra/Math Review | Heublein  |
| MA 1515 01 Beginning Algebra        | Sanders   |
| MT 1122 01 Mechanical Detailing     | Hassan    |
| PF 2133 01 Prof. Pilot II           | Garrison  |

10:00 to 11:40 am

|                                          |           |
|------------------------------------------|-----------|
| AM 1323 01 A/C Fluid Power               | Heichel   |
| AM 2644 01 P/P Overhaul                  | Kelley    |
| CL 2445 01 Structural Design             | Povell    |
| CP 1113 01 Operating Systems             | Francisco |
| CP 2533 01 Applications in C             | Kinsler   |
| DS 1103 01 Developmental English         | Barnes    |
| MA 1224 01 Analytic Geometry/Calculus    | Heublein  |
| MA 1225 01 Calculus I                    | Homolka   |
| MT 1323 01 Material Science & Metallurgy | Buchwald  |
| MT 2341 01 Mechanical Testing Lab        | Hassan    |
| SC 2334 01 Physics II                    | Creech    |

=====

LUNCH BREAK

=====

1:00 to 2:40 pm

|                                          |           |
|------------------------------------------|-----------|
| AM 1325 01 Airframe Structures & Repair  | Claussen  |
| AM 2643 01 PP Induction & Fuel System    | Rankin    |
| BU 1423 01 Intro to Business             | Stephens  |
| CH 2622 01 Process Design Lab            | Kincaid   |
| CL 1123 01 Land Surveys                  | Shreves   |
| CL 1513 01 Intro to GIS                  | Thompson  |
| CP 1443 01 Assembly Language Programming | Francisco |
| MA 1212 01 Plane Trig.                   | Bingham   |
| MA 1213 03 College Algebra               | Heublein  |
| MT 2444 01 Design Tech. II               | Ashburn   |
| SC 1124 02 Physics I                     | Creech    |

3:00 to 4:40 pm

|                                          |          |
|------------------------------------------|----------|
| MA 2225 01 Calculus II                   | Homolka  |
| MT 1111 01 Descriptive Geometry          | Hassan   |
| MT 2213 01 Automated Manufacturing Sys I | Buchwald |
| PF 2133 02 Prof. Pilot II                | Garrison |

Tuesday, May 14

8:00 to 9:40 am

|                                       |         |
|---------------------------------------|---------|
| CH 1423 01 Material & Energy Balances | Kincaid |
| ET 1324 01 Semiconductor Electronics  | Wilson  |
| MT 1112 02 Tech Drafting              | Hassan  |

10:00 to 11:40 am

|                                         |          |
|-----------------------------------------|----------|
| AC 1513 02 Financial Accounting         | Ahlvers  |
| AM 2542 01 A/C Propellers               | Schiltz  |
| BU 1413 02 Supervisory Mgmt             | Breeden  |
| CP 1212 01 Intro to Computer Techniques | Mosier   |
| DS 1102 01 College Skills               | Simmonds |
| ET 2041 01 Electronics Seminar II       | Baer     |

=====

LUNCH BREAK

=====

1:00 to 2:40 pm

|                                         |          |
|-----------------------------------------|----------|
| AM 1324 01 A/F Systems                  | Smith    |
| CL 2142 01 Advanced Surveying           | Shreves  |
| CL 2442 01 Projects in GIS              | Thompson |
| CP 1212 02 Intro to Computer Techniques | Simmonds |
| EN 1201 01 Publications II              | Stephens |
| MA 1101 01 Tech Science                 | Sanders  |
| MT 1223 01 Manufacturing Methods II     | Ashburn  |
| MT 1722 01 Thermodynamics               | Hassan   |
| PF 1312 01 Preventive Maintenance       | Brock    |

3:00 to 4:40 pm

|                               |         |
|-------------------------------|---------|
| CH 2424 01 Unit Operations II | Creech  |
| CP 2232 01 Computer Graphics  | Kinsler |

Wednesday, May 15

8:00 to 9:40 am

|                                      |           |
|--------------------------------------|-----------|
| CL 1124 01 Plane Surveying           | Eberwein  |
| CL 2444 01 Transportation Systems    | Thompson  |
| CP 1123 01 Cobol I                   | Francisco |
| CP 1323 01 FORTRAN                   | Mosier    |
| CP 2543 01 Data Comm/Networking      | Richolson |
| EN 2713 02 Tech Writing              | Breeden   |
| ET 1224 01 A-C Circuits              | Baer      |
| ET 2944 01 RF Communications Systems | Wilson    |
| SH 1313 01 Fundamentals of Speech    | Stephens  |

10:00 to 11:40 am

|                                          |           |
|------------------------------------------|-----------|
| AM 1112 01 Aircraft Welding              | Claussen  |
| AM 2543 01 Powerplant Operation/Trblshng | Rankin    |
| AM 2544 01 Gas Turbine Powerplant        | Schiltz   |
| BU 1443 02 Business Law                  | Ahlvers   |
| CH 2522 01 Instrumentation & Control     | Creech    |
| CP 1313 01 Algorithmic Design            | Francisco |
| CP 1423 01 PASCAL                        | Kinsler   |
| CP 1433 01 Cobol II                      | Goll      |
| CP 2233 01 Statistics w/Computer Applic. | Mosier    |
| CT 1223 01 Digital Electr./Microproc.    | Farmer    |
| EN 2713 01 Tech Writing                  | Breeden   |
| ET 2644 01 Communications Circuits II    | Baer      |
| IN 2643 01 Electric Power & Devices      | Anderson  |
| SC 1124 03 Physics I                     | Bingham   |
| SO 1113 01 Sociology                     | Keist     |

=====

LUNCH BREAK

=====

1:00 to 2:40 pm

|                                    |          |
|------------------------------------|----------|
| BU 2433 01 Marketing               | Breeden  |
| CL 2433 01 Technical Issues in GIS | Thompson |
| EN 1713 02 English Comp. I         | Barnes   |
| SC 1114 01 Chemistry I             | Bingham  |

3:00 to 4:40 pm

|                                          |         |
|------------------------------------------|---------|
| CP 2442 01 Computer Science Tech Seminar | Kinsler |
| MT 2141 01 Intro to Comp-Aided Drafting  | Hassan  |

Thursday, May 16

8:00 to 9:40 am

|                                    |          |
|------------------------------------|----------|
| AC 1523 01 Managerial Accounting   | Ahlvers  |
| CP 1412 07 Computer Fundamentals   | Goll     |
| CP 2153 01 Systems Analysis/Design | Page     |
| ET 1513 01 Basic Electricity       | Anderson |
| SH 1312 02 Public Speaking         | Stephens |

10:00 to 11:40 am

|                                         |          |
|-----------------------------------------|----------|
| AM 1724 01 A/F PP Electrical Systems    | Heichel  |
| CH 2712 01 Plant Engineering Tech.      | Kincaid  |
| CP 1432 01 Commercial Software Analysis | Goll     |
| SH 1312 01 Public Speaking              | Stephens |

=====

LUNCH BREAK

=====

1:00 to 2:40 pm

|                                         |          |
|-----------------------------------------|----------|
| CP 1432 02 Commercial Software Analysis | Goll     |
| ET 1021 01 DC Circuits Review           | Anderson |
| SC 1324 01 Chemistry II                 | Bingham  |

3:00 to 4:40 pm

**NOTE:** All Evening, Saturday, and Off-Campus Class Finals will be given on the same day and time of the week as the regular meeting of the class. Finals for Internships, Problems classes, and Independent Study courses will all be scheduled by arrangement with the instructors of those courses. Students cross-registered in Kansas Wesleyan courses should follow Kansas Wesleyan's finals schedule for those courses. Students should contact the appropriate instructors to work out any conflicts.
